English Proficiency Recommendation

It is recommended that students whose native language is other than English be enrolled in ESL 87 before enrolling in Chemistry Laboratory courses. Chemistry courses require good reading and writing skills. It is recommended that students be enrolled in or eligible for English 28 or higher before enrolling in any chemistry course.

CH DEV 022-PRACTICUM IN CHILD DEVELOPMENT I (CSU) - 4 UNITS

Prerequisite: Child Development 001, 002, 007 and 011 with a grade of "C" or better; health exam, current TB test. For courses completed outside of the LACCD, proof of eligibility must be taken to Counseling.

Note: Students need to have two mornings a week (9:00-12:15 M/W or T/Th) available for practicum placement.

Students will be placed in an approved practicum location by the instructor.

Employed students will need to have their work site approved by the instructor. If the site is not approved, students will be placed in an approved location two days per week.

According to SB792, students must have proof of Pertussis, measles, COVID and flu vaccinations, and a TB test to work in a practicum site. Students should go to the Health Center or to their doctor to complete a TB test prior to the first day of class.

EGD TEK 210-3D COMPUTER-AIDED DESIGN (UC/CSU) - 3 UNITS

Prerequisite: EGD TEK 101 with a grade of "C" or better. For courses completed outside of the LACCD, proof of eligibility must be taken to Counseling.

This course uses SolidWorks software which is provided to enrolled students at no cost. Students will prepare for and take the CSWA exam as part of the course. In lieu of a textbook, students will be required to purchase a student account to SolidProfessor. The professor will provide enrolled students with information related to accessing SolidProfessor and SolidWorks at the start of the semester. Please make sure you are checking your LACCD student email regularly so you do not miss communication from the instructor.

14218	Lec	1:05 hrs/wk	TBA	STAFF	INTERNET
AND					
14217	Lab	4:20 pm - 6:50 pm	MW	STAFF	AT 3804

Some in person meetings are required as scheduled. The remaining activities are online.

This course includes both lecture and lab components. The lecture portion will be conducted online. The lab component of this class requires in-person instruction, which will occur on campus during the lab times listed in the schedule.

English

English Department Chair: Brad Saenz.

Phone: 710-3355. Office: FO 2200.

Faculty Advisor: Brad Saenz.

In keeping with AB 705, students who have graduated from a US High School within the last 10 years are eligible to enroll in English 101 automatically. The college makes the following recommendations based on high school GPA:

GPA greater than 2.6 -- English 101

GPA between 1.9 and 2.6 -- English 101 and are recommended to enroll in English 72, a support course

GPA less than 1.9 -- English 101 and are highly recommended to enroll in English 72, a support course

Students who are not able to provide enough information for automated placement, who have been away from high school for more than 10 years, or did not attend or graduate from a US high school or earn a GED or CA High School Proficiency certificate, may use the Guided Self-placement process. This will likely involve meeting with a counselor or other college officer to discuss topics such as the following in order for the student to place him/herself:

-Courses taken and grades received

-The transfer-level English and math courses offered at the student's home college, and which of them (if any) are required for the student's chosen major, general education plan, or transfer plan

-The support courses and services offered to students enrolled in transfer-level courses

-Students' rights under the AB 705 law

The Guided Self-placement process cannot require the student to take any exam or test, solve any problems, provide any writing samples, or review any sample questions, problems, or prompts.

ENGLISH 028-INTERMEDIATE READING AND COMPOSITION - 3 UNITS

For questions, please contact your instructor at UrquidML@piercecollege.edu.

English As A Second Language

English Department Chair: Brad Saenz.

Phone: 710-3355. Office: FO 2200.

Faculty Advisor: Brad Saenz.

ENGLISH PLACEMENT PROCESS FOR NON-NATIVE SPEAKERS OF ENGLISH.

Students who apply to the Los Angeles Community College District (LACCD) using CCCApply or have updated their placement information using the LACCD MMAP Web Form on their To-Do Checklist will be placed into tiers (groups) of courses in English. Those who choose to complete ESL placement will be placed into an ESL tier, as well. Each tier includes the transfer-level courses cleared for enrollment, as well as optional or required support courses intended to help students succeed in transfer-level coursework in that tier. These tiers will be combined to produce an "E" placement level (English plus ESL, if completed), which will be shown on the online Student Portal Assessment Page.

ENGLISH and ESL Placement Criteria**English as a Second Language (ESL)**

Each LACCD college uses its own criteria for ESL placement. In most cases, these involve a combination of a placement exam score and the Multiple-Measures Assessment Project (MMAP) placement criteria, which place students based on their anticipated success rates using high school performance data (like grade point average). Note: ESL placement does not override English placement.

Guided Self-Placement

Class #	Component	Time	Days	Instructor	Room
---------	-----------	------	------	------------	------

Students who are not able to provide enough information for automated placement, who have been away from high school for more than 10 years, or did not attend or graduate from a US high school or earn a GED or CA High School Proficiency certificate, may use the Guided Self-placement process. This will likely involve meeting with a counselor or other college officer to discuss topics such as the following in order for the student to place him/herself:

-Courses taken and grades received

-The transfer-level English and math courses offered at the student's home college, and which of them (if any) are required for the student's chosen major, general education plan, or transfer plan

-The support courses and services offered to students enrolled in transfer-level courses

-Students' rights under the AB 705 law

The Guided Self-placement process cannot require the student to take any exam or test, solve any problems, provide any writing samples, or review any sample questions, problems, or prompts.

Hospitality

Computer Applications and Office Technologies Department Chair: Eleanor Viz.

Office: BUS 3210C. Phone: (818) 710-4411. Email: VizE@piercecollege.edu.

Faculty Advisor: Eleanor Viz.

HOSPT 100-INTRODUCTION TO THE HOSPITALITY INDUSTRY (CSU) - 3 UNITS

Students will learn about the organization, employment opportunities, and financial performances of the many segments involved in the hospitality industry--food and lodging, resorts, tourism enterprises, attractions, and related operations such as event planning and entertainment. The focus is on orientation to customer service, cultural and economic trends, and career opportunities in the various segments.

17901	Lec	6:30 hrs/wk	TBA	Anderson, M S	INTERNET
-------	-----	-------------	-----	---------------	----------

This is an early start 8-week class that begins on August 26.

This is a fully-online course using Canvas. Open Canvas to view course materials beginning on the first day of the course through the student portal mycollege.laccd.edu. Enrolled students will receive an email containing important course information in their official LACCD email account about one week before the course begins. For questions, please contact your instructor at AndersMS@laccd.edu.

(Starts 08/26/2024, Ends 10/20/2024)

HOSPT 136-EVENT MANAGEMENT (CSU) - 3 UNITS

Students will learn about the event and program planning processes as they relate to the delivery of business-related services, catering services, and social and leisure experiences. Students will develop essential skills required to research, plan, schedule, organize, and market events and programs for a variety of service recipients and settings. Students will learn about participant engagement and needs assessment and will receive an overview of cultural and economic trends.

For questions, please contact your instructor at StclaiCG@piercecollege.edu.

HOSPT 140-INTRODUCTION TO HOTEL MANAGEMENT (CSU) - 3 UNITS

In this course students will become familiar with the nature of hotel front office operations, including the scope of the industry. They will study the relationship of hotels to other kinds of lodging facilities based on size, target markets, and levels of service. Students will identify and describe the various operational departments and staff within a full-service hotel. They will determine room rates based on different strategies such as the Hubbard Formula. Students will conduct a comparative market analysis and develop a plan to improve service and revenue at a selected property.

16762	Lec	6:30 hrs/wk	TBA	Anderson, M S	INTERNET
-------	-----	-------------	-----	---------------	----------

This is a late start 8-week class that begins on October 21.

This is a fully-online course using Canvas. Open Canvas to view course materials beginning on the first day of the semester/term through the student portal mycollege.laccd.edu. Enrolled students will receive an email containing important course information in their official LACCD email account about one week before the semester begins. For questions, please contact your instructor at AndersMS@piercecollege.edu.

 Textbooks assigned to this class are less than \$50.

(Starts 10/21/2024, Ends 12/15/2024)

Mathematics

Mathematics Department Chair: Eddie Tchertchian.

Phone: (818) 710-2185. Office: MATH 1409-E.

Faculty Advisors: Eddie Tchertchian, Mitchell Pumar.

Information regarding special Math student success programs and pathways may be found at Math Success Program website.

Some sections require Internet access for homework.

Information regarding specific course needs may be found on the instructor's web page.

In keeping with AB 705, students who have graduated from a US High School within the last 10 years are eligible to enroll in transfer level math, specifically Math 227. However, students in STEM or business majors, may need a prerequisite course. The college makes the following recommendations based on high school GPA or high school course information:

GPA greater than or equal to 2.3 - Math 227

GPA less than 2.3 - Math 227. Students are highly recommended to enroll in Math 228A followed by Math 228B, a two-semester statistics sequence.

Students may enroll in the following depending on their grade in High School Intermediate Algebra or Integrated Math 3 (or equivalent or higher):

A grade of B or better - Math 215, 238, or 240

A grade less than a B - Math 134, a prerequisite course

Students who are not able to provide enough information for automated placement, who have been away from high school for more than 10 years, or did not attend or graduate from a US high school or earn a GED or CA High School Proficiency certificate, may use the Guided Self-placement process. This will likely involve meeting with a counselor or other college officer to discuss topics such as the following in order for the student to place him/herself:

-Courses taken and grades received

-The transfer-level English and math courses offered at the student's home college, and which of them (if any) are required for the student's chosen major, general education plan, or transfer plan

-The support courses and services offered to students enrolled in transfer-level courses

-Students' rights under the AB 705 law

The Guided Self-placement process cannot require the student to take any exam or test, solve any problems, provide any writing samples, or review any sample questions, problems, or prompts.

Photography

Media Arts Department Chair: Jill Connelly.

Phone: 710-4235. Office: Village 8100. E-mail: ConnelJP@piercecollege.edu.

Faculty Advisor: Jill Connelly.

All photography classes, except 27A and 27B, require students to provide their own DSLR or Digital Mirrorless Camera. Whichever camera you choose must have manual control of aperture, shutter speed and focus. All photo classes at Pierce have laboratory requirements in VLGE 8210. The lab will have day and evening hours on weekdays. The exact hours will be posted. All lab classes have lab fees (except Photo 9 and Photo 27).

Questions? Please Email or call our photo staff: Jill Connelly (ConnelJP@piercecollege.edu) (818) 710-4235.

Statistics

Psychology Department Chair: Maria Perser.

Phone: (818) 710-2891. Office: BEH 1306C.

Email: PerserMO@piercecollege.edu.

Faculty Advisor: Maria Perser. Phone: (818) 710-2891.

In keeping with AB 705, students who have graduated from a US High School within the last 10 years are eligible to enroll in Stat 101 automatically.

Students who are not able to provide enough information for automated placement, who have been away from high school for more than 10 years, or did not attend or graduate from a US high school or earn a GED or CA High School Proficiency certificate, may use the Guided Self-placement process. This will likely involve meeting with a counselor or other college officer to discuss topics such as the following in order for the student to place him/herself:

- Courses taken and grades received
- The transfer-level English and math courses offered at the student's home college, and which of them (if any) are required for the student's chosen major, general education plan, or transfer plan
- The support courses and services offered to students enrolled in transfer-level courses
- Students' rights under the AB 705 law

The Guided Self-placement process cannot require the student to take any exam or test, solve any problems, provide any writing samples, or review any sample questions, problems, or prompts.
