(Starts 07/15/2024, Ends 08/18/2024)

English

English Department Chair: Brad Saenz.

Phone: 710-3355. Office: FO 2200.

Faculty Advisor: Brad Saenz.

In keeping with AB 705, students who have graduated from a US High School within the last 10 years are eligible to enroll in English 101 automatically. The college makes the following recommendations based on high school GPA:

GPA greater than 2.6 -- English 101

GPA between 1.9 and 2.6 -- English 101 and are recommended to enroll in English 72, a support course

GPA less than 1.9 -- English 101 and are highly recommended to enroll in English 72, a support course

Students who are not able to provide enough information for automated placement, who have been away from high school for more than 10 years, or did not attend or graduate from a US high school or earn a GED or CA High School Proficiency certificate, may use the Guided Self-placement process. This will likely involve meeting with a counselor or other college officer to discuss topics such as the following in order for the student to place him/herself:

-Courses taken and grades received

-The transfer-level English and math courses offered at the student's home college, and which of them (if any) are required for the student's chosen major, general education plan, or transfer plan

-The support courses and services offered to students enrolled in transfer-level courses

-Students' rights under the AB 705 law

The Guided Self-placement process cannot require the student to take any exam or test, solve any problems, provide any writing samples, or review any sample questions, problems, or prompts.

Some sections require Internet access for homework.

Information regarding specific course needs may be found on the instructor's web page.

Class #	Component	Time	Days	Instructor	Room
---------	-----------	------	------	------------	------

In keeping with AB 705, students who have graduated from a US High School within the last 10 years are eligible to enroll in transfer level math, specifically Math 227. However, students in STEM or business majors, may need a prerequisite course. The college makes the following recommendations based on high school GPA or high school course information:

GPA greater than or equal to 2.3 - Math 227

GPA less than 2.3 - Math 227. Students are highly recommended to enroll in Math 228A followed by Math 228B, a two-semester statistics sequence.

Students may enroll in the following depending on their grade in High School Intermediate Algebra or Integrated Math 3 (or equivalent or higher):

A grade of B or better - Math 215, 238, or 240

A grade less than a B - Math 134, a prerequisite course

Students who are not able to provide enough information for automated placement, who have been away from high school for more than 10 years, or did not attend or graduate from a US high school or earn a GED or CA High School Proficiency certificate, may use the Guided Self-placement process. This will likely involve meeting with a counselor or other college officer to discuss topics such as the following in order for the student to place him/herself:

-Courses taken and grades received

-The transfer-level English and math courses offered at the student's home college, and which of them (if any) are required for the student's chosen major, general education plan, or transfer plan

-The support courses and services offered to students enrolled in transfer-level courses

-Students' rights under the AB 705 law

The Guided Self-placement process cannot require the student to take any exam or test, solve any problems, provide any writing samples, or review any sample questions, problems, or prompts.

MATH 227-STATISTICS (UC/CSU) - 4 UNITS

MEETS IGETC 2A CSU B4

UC Transfer Limit: MATH 227, MATH 228B, SOC 125 and STAT 101 combined: maximum credit, one course.

Note: If you are not currently eligible for Math 227, note that there is an alternate pathway to Math 227 other than the Algebra sequence (for information see www.piercecollege.edu/departments/mathematics/statway.asp).

Note: A TI-83 or TI-84 graphing calculator is highly recommended for all sections of this course.

Quality Reviewed

(Starts 07/15/2024, Ends 08/18/2024)

Statistics

Psychology Department Chair: Maria Perser.

Phone: (818) 710-2891. Office: BEH 1306C.

Email: PerserMO@piercecollege.edu.

Faculty Advisor: Maria Perser. Phone: (818) 710-2891.

In keeping with AB 705, students who have graduated from a US High School within the last 10 years are eligible to enroll in Stat 101 automatically.

Students who are not able to provide enough information for automated placement, who have been away from high school for more than 10 years, or did not attend or graduate from a US high school or earn a GED or CA High School Proficiency certificate, may use the Guided Self-placement process. This will likely involve meeting with a counselor or other college officer to discuss topics such as the following in order for the student to place him/herself:

-Courses taken and grades received

-The transfer-level English and math courses offered at the student's home college, and which of them (if any) are required for the student's chosen major, general education plan, or transfer plan

-The support courses and services offered to students enrolled in transfer-level courses

-Students' rights under the AB 705 law

The Guided Self-placement process cannot require the student to take any exam or test, solve any problems, provide any writing samples, or review any sample questions, problems, or prompts.
